

Ultra-Premium Dentures

Featuring Ivocap Injected Acrylic

Keating Dental Lab has provided dental practices with the highest quality restorations, paired with reliable, friendly service since 2002.

As a family-run full-service dental lab, we treat our dentists like we would our own. Our goal is to provide doctors with the expertise of a national lab, and the convenience of a local laboratory partner.

THE FINEST REMOVABLE SOLUTION

Fabricated to exceed the most demanding standards in the industry by Keating Dental Lab's most proficient removables technicians, Ultra-Premium Dentures offer the finest removable solution available.

Our Ivocap® injected acrylic base is enhanced by characterized colored acrylics that add a unique and personal touch to your full denture case. All dentures use the IvoBase injection system which ensures consistent polymerization, minimal shrinkage and is custom-tinted to match patients' gingiva.

All Ultra-Premium dentures feature Ivoclar Vivadent SR Phonares II teeth, which are available in all 16 A-D and four BL shades, providing the most flexibility for natural and lifelike esthetics.

We invite you to visit us at keatingdentallab.com to see all we have to offer or call 800-433-9833 to speak with one of our friendly representatives.
